

## Initiating ICI at your Facility

## Implementing ICI

**Exploration** 

**Application** 

Initiation

**Implementation** 

Review ICI's 12 Steps by <u>watching the video</u> or <u>reading the full</u> <u>document</u>

> Discuss the core tenets with your colleagues

Explore one or two of the steps further by watching the <u>webinar</u> or listening to the <u>podcast</u> Submit an application for your facility <u>here</u>\*

Form an interdisciplinary committee - submit a photo of your group.

Create a Kobo
account and send
your username to
your ICI contact by
email. Guide to Kobo
guestionnaires

At your first committee meeting:

Complete all or part of the ICI Initial Facility Self-Assessment

Create and submit an Action Plan

Set schedule for ongoing committee meetings

Develop a plan for collecting patient surveys (available in your Kobo account) Collect patient surveys

Participate in ICI Collective meetings with other facilities\*\*

Conduct regular committee meetings (following schedule set at first meeting):

- Select target steps to address first/next based on ongoing self-assessment
- Review patient surveys
- Create, update, and implement action plans
